

Reception Spring Term 1 Home learning grid

Please choose **one activity** with your child each week to complete in their home learning books. You might also like to send a photo on Tapestry. You can find a copy of the homework grid on Tapestry memos to access all the links. Please hand books back in on Monday in the box outside of the classroom. Thank you.

Design and make a healthy hero snack.
click [here on Cbeebies](#) for some healthy ideas.

Captain Superbrush needs your help to teach all the children how to brush their teeth correctly. Make a poster with some instructions explaining how to brush your teeth.

You could draw pictures, take photos and or write sentences explaining how.
[Click here](#) to access BBC teach radio with Andy Day for a song, story and movement.

Design and make a Superhero, headquarters or vehicle using recycled materials.

You can practice your disappearing writing by filling up an empty washing up liquid or squirty bottle with water and writing your tricky words (from your Floppy's phonic book) on the pavement outside. You could use water and a paint brush as an alternative.

Make and solve five of your own Superhero addition number sentences (see example below). You could also do this with objects and take photos instead. Remember to solve the question and write the answer.

$$\text{Superhero} + \text{Superhero} = \text{Circle}$$

This term's caritas theme is: **'God wants everyone to be happy.'**

Draw a picture of something that makes you happy. Then have a go at writing a sentence

Draw a picture of your Superhero vehicle or headquarters. Label it to show all the special things it can do.

Speak to your parents/uncles/aunts and grandparents about the jobs that they do. Do you know what you would like to do when you are older?

Superheroes need to stay fit and healthy. Can you do 10 star jumps, 10 hops and then 10 jumps as high as you can.

Now you can make up your own fitness routine. You may want to make a book and draw in the different steps or you could take photos with instructions for your superhero friends to try in class.
